PRESS RELEASE BY THE OFFICE OF THE SPEAKER

Speaker of the House participates in the Fifth World Conference of Speakers of Parliament

Speaker Anglu Farrugia participated in the Fifth World Conference of Speakers of Parliament virtual meeting.

The conference was inaugurated by the IPU President Ms Gabriela Cuevas Barron, Mr Wolfgang Sobotka, President of the Austrian National Council and United Nations Secretary-General Mr Antonio Guterres.

Later, an interactive debate on health, climate and economy was chaired by the IPU President which was followed by panel discussion on the following themes: “Stepping up parliamentary action: The climate change emergency” and “Human mobility in pursuit of a better life: Challenges, opportunities and solutions”.

Speaker Farrugia is expected to intervene tomorrow on the themes “Improving governance by bridging the gap between parliaments and the people” and “Countering terrorism and violent extremism: The perspective of victims”.
