Dear Professor Refalo

Re: NAO Investigation on SVPR tender

I write on behalf of JCL Limited with regard to the above-captioned matter.

I refer to the correspondence exchanged between the NAO and JCL Limited, as well as the recent constructive meeting held at the NAO's premises.

My clients would like to reiterate that their letter of the 17 February, 2021, was never intended to offend, disturb or in any way interfere with the investigative work conducted by the NAO. On the contrary, their sole motivation was to defend and safeguard their professional integrity and hard-earned positive reputation and trust they enjoy among the business community at large.

In furtherance to the above, my clients have instructed me to withdraw unreservedly the contents of their letter of the 17 February, 2021.

My clients remain readily available to furnish any other clarification to the NAO, should this be required.

I remain,

Yours faithfully,

Dr Stefano Filletti
