The Speaker and Ambassador Hambardzumyar noted the excellent and cordial relations that exist between Malta and Armenia and agreed to continue to work closely together towards the enhancement of relations between respective Parliaments.

During the meeting, the two dignitaries discussed various issues of mutual interest, including matters related to regional developments, inter-parliamentary cooperation and increased collaboration through the Parliamentary Friendship Group.

The Speaker and the Ambassador recognised the importance of a structured dialogue to address border and political challenges and agreed that every effort should be made to avoid initiatives that can procure undesirable consequences on civilians.
