(2) Il-Kunsill Malti għall-Iżvilupp Ekonomiku u s-settur tal-Iżvilupp Soċjali għandhom jipproponu lir-Retikolat tal-Iżvilupp Sostenibbli serje ta' inizjattivi settorjali li lilhom l-awtorità kompetenti għandha tagħti prijorità.

(3) L-awtorità kompetenti għandha taħdem biex tiżviluppa relazzjoni ta' hidma ma' kull parti interessata oħra bil-ħsieb li tintegra l-prinċipji ta' żvilupp sostenibbli fl-udjenza li jista' jkollhom.

TAQSIMA VI Dispożizzjonijiet Ġenerali

12. L-awtorità kompetenti għandha taġixxi fuq id-direzzjoni politika li tista', minn żmien għal żmien, tingħata mill-Prim Ministru. Direzzjoni.

13. Il-Ministru jista' jagħmel regolamenti biex jimplimenta d-dispożizzjonijiet ta' dan l-Att u b'mod partikolari, iżda mingħajr ħsara għall-ġeneralità ta' dak li ntqal qabel, biex jipromwovi aktar il-firxa ta' prattiċi dwar l-iżvilupp sostenibbli madwar l-amministrazzjoni pubblika, is-settur privat u s-soċjetà ċivili b'mod ġenerali, liema regolamenti jistgħu wkoll jipprovdu għal hwejjeġ li huma konsegwenzjali jew inċidentali għad-dispożizzjonijiet ta' dan l-Att. Setgħa biex isiru regolamenti.

14. L-awtorità kompetenti għandha, mhux aktar tard minn tliet xhur wara l-għeluq ta' kull sena finanzjarja, thejji u tibgħat lill-Ministru rapport li jittratta b'mod ġenerali l-attivitajiet tal-awtorità kompetenti matul dik is-sena finanzjarja, u li jkun fih dik l-informazzjoni relatata mal-proċedura u l-politika tal-awtorità kompetenti hekk kif il-Ministru jkun jeħtieġ minn żmien għal żmien. Il-Ministru għandu jara li kopja ta' kull rapport bħal dan tiġi mqiegħda fuq il-Mejda tal-Kamra mill-aktar fis possibbli. Rapport Annwali.

Għanijiet u Raġunijiet

L-għan ta' dan l-Att hu biex jintegra l-iżvilupp sostenibbli fil-hidma tal-Gvern, biex titqajjem kuxjenza dwar kwistjonijiet u prattiċi ta' żvilupp sostenibbli fis-soċjetà kif ukoll sabiex jipromwovi l-adozzjoni tal-istess, kif ukoll biex jiġi stabbilit Gwardjan ta' Ġenerazzjonijiet Futuri.

**A Bill
entitled**

AN ACT to mainstream sustainable development across the workings of government, to raise awareness of sustainable development issues and practices across society and to promote the adoption thereof.

BE IT ENACTED by the President, by and with the advice and consent of the House of Representatives, in this present Parliament assembled, and by the authority of the same as follows:-

PART I

Preliminary

- Short title. **1.** The short title of this Act is the Sustainable Development Act, 2011.
- Objectives. **2.** (1) The purpose of this Act is to create a framework through which sustainable development is to be mainstreamed across Government.
- (2) Within the context of the private sector and civil society, this Act seeks to enable the raising of awareness of the principles of sustainable development, such that these may be adopted on a voluntary basis.
- Interpretation. **3.** (1) In this Act, unless the context otherwise requires -
- Cap. 497. "department of government" or "department" shall have the same meaning as that assigned to it in the Public Administration Act;
- Cap. 497. "government agency" or "agency" shall have the same meaning as that assigned to it by the Public Administration Act;
- Cap. 497. "government entity" or "entity" shall have the same meaning as that assigned to it by the Public Administration Act;

"Minister" means the Minister responsible for sustainable development;

"Ministry" shall have the same meaning as that assigned to it by the Public Administration Act;

Cap. 497.

"public administration" shall have the same meaning as that assigned to it by the Public Administration Act;

Cap. 497.

"strategy" means Malta's National Sustainable Development Strategy;

"sustainable development" means development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

PART II

Competent Authority

4. The Office of the Prime Minister shall be designated as the competent authority for the purposes of this Act:

Establishment of a competent authority.

Provided that the Prime Minister may by notice in the Gazette designate another entity as the competent authority for the purposes of this Act.

5. The competent authority shall have the following functions:

Functions of the competent authority.

(a) to ensure the development and implementation of Malta's sustainable development strategy;

(b) to revise the said strategy in line with national, European Union and international developments and to establish the direction the revised strategy is to adopt;

(c) to ensure that the provisions of the strategy are implemented in a timely manner by the responsible actors;

(d) to develop a set of indicators for measuring the progress achieved in the area of sustainable development, and their progressive revision;

(e) to advocate sustainable development across the public administration, the private sector and society in general;

(f) to review Government and specific Ministry policies, plans, programmes and projects to ensure that they are in line with the strategy and to ensure that all Ministries and line

entities within the public administration factor sustainable development in their workings;

(g) to identify any relevant process or policy which may be undermining sustainable development and propose alternative processes or policies to the Government for adoption;

(h) to perform audits to evaluate how the public administration has integrated the principles of sustainable development in its policies, plans, programmes and projects;

(i) to identify trends which may significantly give rise to unsustainable development outcomes and which will not be reversed on the basis of current or planned action, and recommend action to reverse such trends;

(j) to encourage and stimulate good practices in the use and sustainable management of natural resources, in particular their minimal use and maximum re-use in an environmentally sustainable manner;

(k) to work closely with Local Councils and other stakeholders for the promotion of sustainable development at a local level;

(l) to engage in active consultation with all stakeholders; and

(m) to carry out any other task that may, from time to time, be requested by the Minister in respect of sustainable development.

Powers of the competent authority.

6. (1) In carrying out its functions under article 5, the competent authority shall, in respect of sustainable development, be empowered to:

(a) set recommendations to be achieved at a national, local, sectoral, entity or any other level deemed appropriate;

(b) initiate, promote, sponsor and encourage projects, studies, research, training, awareness initiatives and any other activities which exemplify sustainable development practices;

(c) make recommendations to the Minister on matters related to sustainable development for adoption by Government;

(d) request information from the public administration;

(e) establish and direct subcommittees to undertake various tasks;

(f) make its own rules of procedure, including procedures of subcommittees; and

(g) propose directives to the Principal Permanent Secretary in terms of the Public Administration Act and, or measures related, amongst others, but not solely, to public procurement and sustainable production and consumption patterns to the Permanent Secretary in the Ministry responsible for Finance in terms of the Financial Administration and Audit Act. Cap. 497.
Cap. 174.

(2) Without prejudice to any of its responsibilities, the competent authority shall have the power to delegate to any department, agency or entity any one or more functions listed in article 5 or any of the powers listed in subarticle (1). Any delegation made in pursuance of this subarticle shall be in writing and shall be published in the Gazette.

PART III

Duties of the Public Administration

7. (1) The public administration shall respond to any request from the competent authority for: Duties.

(a) information, both of a qualitative and quantitative nature;

(b) inputs into the formulation, revision or monitoring of any strategy or strategies, policy or policies or any other initiative related to sustainable development;

(c) any other form of input that may, from time to time, be required in respect of sustainable development.

(2) (a) Every Ministry shall have a Sustainable Development Coordinator.

(b) The Sustainable Development Coordinator shall provide the competent authority with any input it may require in fulfilment of its functions listed in article 5, the powers listed in article 6 and duties listed in subarticle (1) respectively. Such input shall be in a consolidated format reflecting the approved position of the Ministry.

(c) The Permanent Secretary within each Ministry shall

be the Sustainable Development Coordinator in respect of such Ministry.

(3) (a) Every department of government, agency or entity shall have a Sustainable Development Focal Point.

(b) The Sustainable Development Focal Point shall assist the Sustainable Development Coordinator in developing the Ministry's position in respect of any request by the competent authority.

(c) The Director responsible for policy development within each Ministry and the Head of each government agency and entity shall be the Sustainable Development Focal Point.

(4) The competent authority shall be entitled to request any information directly from the Sustainable Development Focal Point.

(5) Each department of government, agency or entity shall state in a special section of its annual report:

(a) the manner in which it has responded to directives received from the competent authority;

(b) the specific objectives it has set to achieve alignment with the strategy in order to contribute to the goal of sustainable development and its contributions towards the implementation of the strategy;

(c) the specific activities or interventions it has undertaken to achieve the objectives referred to in article 5(b) and to quantify the benefits accrued thereof.

(6) Within the context of subarticle (5), the Principal Permanent Secretary shall be entitled to request the competent authority to review, from time to time, any such reports in so far as related to the provisions of this Act.

PART IV

Guardian of Future Generations

Guardian of
Future
Generations.

8. (1) There shall be a Guardian of Future Generations, hereinafter referred to as "the Guardian" with the aim of safeguarding inter-generational and intra-generational sustainable development in Malta.

(2) The Guardian shall be a Commission composed of the following persons:

- (a) a chairperson appointed by the Prime Minister;
- (b) a person having knowledge of and experience in the Environmental Voluntary Organisations sector and environmental matters appointed by the Minister;
- (c) a person with knowledge of, and experience in, commerce, economy and industry appointed by the Minister following consultations with the Malta Council for Economic and Social Development;
- (d) a person with knowledge of, and experience in, social and community affairs appointed by the Minister following consultations with the Malta Council for Economic and Social Development.

(3) (a) The Guardian shall convene at least every quarter.

(b) The Permanent Secretary responsible for Sustainable Development and the Head of the Strategic Policy Secretariat may attend meetings of the Guardian, on an observer status, without a vote.

(4) The Guardian shall have the mandate to:

(a) promote sustainable development advocacy across national policy making, legislation and practices;

(b) develop a scientific research network that could positively contribute towards the sustainability of society;

(c) develop audits of various areas or sectors which are deemed to contribute towards sustainable development;

(d) propose goals and actions to government entities for them to take up in order to contribute towards the goal of sustainable development;

(e) permeate concepts of sustainable development within the private sector;

(f) encourage the participation of non-governmental organizations in sustainable development advocacy;

(g) consider requests from the public as to policy matters which can positively contribute to sustainable development;

(h) to request any government entity to provide data or information or to collect data or information about any topic that could have a bearing on sustainable development;

(i) foster sustainable development principles and actions across Maltese society; and

(j) direct the focus of the competent authority to safeguard future generations.

PART V Mainstreaming Sustainable Development

Sustainable
Development
Network.

9. (1) There shall be a Sustainable Development Network, hereinafter referred to as "the Network" with the aim of promoting sustainable development in Malta.

(2) The Network shall be made up of the following persons:

(a) a chairperson appointed by the Prime Minister;

(b) the head of the Strategic Policy Secretariat or his representative, who shall also act as the Deputy Chairperson;

(c) the Sustainable Development Coordinators responsible for economic, social and environmental issues;

(d) a person from the Non-Governmental Organisations sector having knowledge of and experience in environmental matters appointed by the Minister;

(e) a person with knowledge of, and experience in, commerce, economy and industry appointed by the Minister following consultations with the Malta Council for Economic and Social Development;

(f) a person with knowledge of, and experience in, social and community affairs appointed by the Minister following consultations with the Malta Council for Economic and Social Development.

(3) The Network shall convene as required by the competent authority at least twice a year.

Education,
training and
other initiatives.

10. (1) The competent authority shall endeavour to foster a higher level of knowledge and education in sustainable development across all strata of society.

(2) The Malta Council for Economic and Social Development

shall propose to the Guardian a series of sectoral initiatives which the competent authority should give priority to.

(3) The University of Malta and the Malta College of Arts, Sciences and Technology shall promote sustainable development across all courses.

(4) The Principal Permanent Secretary shall promote sustainable development through training courses for public administration employees as well as through other initiatives.

(5) The competent authority shall also engage in other initiatives aimed at fostering sustainable development across the whole spectrum of society.

11. (1) The competent authority shall endeavour to develop a working relationship with the Malta Council for Economic and Social Development with a view to mainstream the principles of sustainable development within its deliberations and within the sectors represented on this Council.

Relationship with stakeholders.

(2) The Malta Council for Economic and Social Development shall propose to the Network a series of sectoral initiatives which the competent authority should give priority to.

(3) The competent authority shall endeavour to develop a working relationship with any other stakeholders with a view to mainstream the principles of sustainable development within their captive audience.

PART VI General Provisions

12. The competent authority shall act on the policy direction that may, from time to time, be provided by the Prime Minister.

Policy direction.

13. The Minister may make regulations for the purpose of implementing the provisions of this Act and in particular, but without prejudice to the generality of the foregoing, to further promote the entrenchment of sustainable development practices across the public administration, the private sector and civil society in general, which regulations may also make provision in respect of matters that are consequential or incidental to the provisions of this Act.

Power to make regulations.

14. The competent authority shall, not later than three months after the end of each financial year, make and transmit to the Minister a report dealing generally with the activities of the competent authority during that financial year and containing such information

Annual report.

relating to the proceedings and policy of the competent authority as the Minister may from time to time require. The Minister shall cause a copy of any such report to be laid on the Table of the House as soon as practicable.

Objects and Reasons

The object of this Bill is to mainstream sustainable development across the workings of government, to raise awareness of sustainable development issues and practices across society and to promote the adoption thereof, as well as to set up a Guardian of Future Generations.
