Dear Mr Farrugia
Good morning

Reference is made to your communication with Dr Vella re the above person
Please note that from our end we need evidence of durable relationship between Mr _____ and Ms
_____. Within this context we require a copy of both their ID cards, if they have joint bank accounts
perhaps a copy of a bank statement or a declaration from the bank to this effect, and/or if they have taken a
loan together and/or perhaps purchased property together, evidence of this.

We look forward to receiving feedback
Regards
