Re: Issuing of Government Staff Members Entitlement to Free Medicines

As part of the integration of pharmaceutical entitlement, control cards for free medicines for members of staff (Grey Cards) will be issued from the Medicines Entitlement Unit (MEU) within the Directorate Pharmaceutical Affairs (DPA) on authorisation of the applicant's Administrative Director/Head.

New application forms have been prepared in order to provide conformity in application. It is recommended that the manual application (Appendix 1), is sent directly by post to MEU

In order to facilitate the system, a pdf Entitlement form (Appendix 2) has been created which can be filled by the Administrative Director/Head. The form contains a virtual button directing the user automatically to the Schedule V generic email either through the Microsoft Outlook or manually through the internet government email. The email needs to be sent using the government email [mail.gov.mt]. The email address will be used as official signature in endorsing the request.

The Administrative Director/Head may also choose a delegate/s within his entity to fill in the request manually or via emails. In this case, the list of delegate/s should be communicated to DPA through an official email.

**

Staff Eligibility

Staff eligibility for medicines entitlement remains as per circulars issued till date. Staff Grey Cards will be valid for a maximum of one year and renewable after presentation of the relevant documentation.

Used to

Medicines dispensed through the Grey Card will consist of formulary pink positive items used for the treatment of work-related illness or injury. These may be collected from the pharmacy within the employee's respective place of work or from the nearest health centre if a pharmacy is not available.
